CHEMISTRY AT INTERFACES (HARDBACK)

Elsevier Science Publishing Co Inc, United States, 1990. Hardback. Condition: New. New. Language: English. Brand new Book. Chemistry at Interfaces provides an introduction to the fundamental concepts in interfacial chemistry. It aims to provide students and research workers who have not had training in a school of surface chemistry with the means to set up and use interfacial techniques and to interpret measurements. For this reason, more emphasis is given to experimental details and to the associated pitfalls than most...
